“ To many to mention lol but one sticks out in my mind. We are driving down the road on the way to Walmart and pop tells me, your sis in Florida called said she needs \$500.he says I sent it to her, he says John she called back again and asked for more,He says I ask what did you do with what I just gave you,he says she said one of the boys needed a baseball bat. Pop says!*%^#@ to me lol. So when we get to Walmart and we are walking around finding the things he needs,Pop ask do you need anything thing while we are here (I really like cutting up with pop) lol. I said yes, so I run to the sporting goods and grabbed a bat and I put it in the buggy, The look on his face on his face was priceless lol He says boy I'll whoop your A** with that. We get in the car and have a good laugh about it. I'm going to miss him and our adventures so much. He was my father Lavelle Williams best friend, He was kill in a motorcycle accident in 1971. Being around pop made me feel like I had a connection with my father. I am grateful for the time we had and I will forever miss him.... Rip pop 🙏💕
