“ *To the Price family we are So sorry to hear of Jeffs passing, although I had just met Jeff through his Dad last year it seemed like I had known him for a life time for he was very easy to talk too. Jeff & I had numerous conversations about life challenges and he told me he had some health issues, but I didn't realize he was that ill. I have to say he was Soft spoken & very courteous. I will always remember that chuckle Jeff had when you questioned him in whatever he was doing electrical wise! May the family find Peace and Comfort knowing people care! “ *We were having diner and Allen ask Jeff if he wanted a pepper from the garden, he said yes. Allen told him they were hot he said that's ok. He bites into that pepper and broke out into a sweat, however he ate it. What a sweetheart.*

“ Dear David and Marianne and family, there are no words that can help at a time like this, only prayers...but you have many, many people praying for you. I haven't seen Jeff since he was just a kid, but I know how close and loving your family has always been. We will continue to lift you up in the difficult days ahead. We love you all.
