“ *I spent a few times with Sandra when Joni & Joe had cookouts, watched ballgames, & just fellowshipped with friends & family. She was a joy to be around...she knew lots of natural remedies for ailments, she was very spiritual & a prayer warrior. She impacted my life in more ways than she ever knew. I am certain she made a lasting impact on anyone who met her! She supported me in my breast cancer journey & was always so encouraging & uplifting. She thought about others before herself. I will miss her dearly! We love you...until we meet again sweet lady!* 🙏🙌❤️

“ *The last time I talked to Sandra she was doing fine, laughing, and full of life . She asked me if I thought she drove too fast ... I asked her, was this a trick question and she just laughed out loud... she will be missed ... RIP Sandra.*
