“ Regina was the kindest most thoughtful person I have ever known. She would do anything for her customers. I loved her just like a sister and I will never forget her. She was certainly one of a kind. Sending all my love and prayers to Jimmy, Anthony, Mozelle, and Shelia. I hate I am out of town but I will be thinking of all the family during this horrible time. Rest high on that mountain, Regina. You have certainly earned it. I will always remember and love you for being such a wonderful friend.

“ Regina was a great person, maybe the sweetest person I have ever known. Such a large part of our class of 1966. A kinder more humble person would be hard to find. I am glad she called me "friend"!

Regina was a childhood friend of mine and my family. We had lots of adventures together. I know she was loved very much and will be missed. May all of you be comforted by God's loving hand. Donna Barrett Decker

Regina was a beautiful person and friend. She will be missed. She always cut my hair and was very good at her profession. Rest in heavenly peace.
