“ First off I hope Jeremy and Jason know that I'm here for you guys. Favorite memory of Sheila, would have to be the night that Jeremy , Sheila, Randy and myself were cooking out and we had been drinking a little bit. And Sheila stands up takes her pants off and throws them in the fire pit. I laughed so hard, I thought I was going to pee in my pants.. I just loved her smile and her love for her family. I'm going to miss you so much Sheila. I love you.

“ My most favorite memory of Sheila was when she took me outside on the back deck of the apartment on McKinley Ave and asked me why was I in their lives she didnt say hers it was always ours with her meaning Jeremy and Jason. I replied cause I love him then she bought me the most beautiful pink ice ring and let Jeremy give it to me and she cooked a valentines day dinner before she went to work at Huntsville hospital. And she loved Taylor Dane the singer and would sing while she cleaned and she had the most amazing laugh it was contagious she always smiled no matter what and she would talk about her boys and say they were the best accomplishment of her life. I am going to miss you.

“ My favorite memory of my mom was when we woke every Christmas morning ( regardless of the lack of sleep for her) she was always so pleasant, as if she had slept for hours. And seeing the excitement on her face to see what we got for Christmas. ( As if she had no clue) Lol, Thank you Momma for precious memories you created. I love you Momma , Love Jeremy

*The more I learn about your amazing life Shelia the more I feel as if I knew you. Jeremy has shared so many awesome memories with me. He told me yellow roses are your favorite so he bought you some this weekend and I took some amazing pictures of them but I don't know how to post them on here I'm sorry. You raised an extremely sweet, kind, respectful man and I'm so glad I've had the chance to know you through him. I wish I had memories of you personally to put on here but I can only put my feelings here. Your children love and miss you so very much. I know there are lots of family and friends who do as well. There are all in my thoughts and prayers as they struggle to hold themselves together with you. I pray for peace and solitude for them in knowing that you are now resting beautifully in GOD'S loving arms sweet beautiful ANGEL!*
