“ We never met Mrs. Everett but are close friends to Lee and Becky Moore (her brother and wife). I know she had to be a very loving and caring person - if she was anything like her brother, Lee. We have lost two of our sons and it is so hard to not have them around anymore - so we can truly feel your pain. We are praying that God will help you thru all the days ahead the way He helped us - and continues to help us.
