“ *Craig came into my life when he moved to Odessa, and we stayed in touch even after he was in Oklahoma. I have such great memories of him.. Without a doubt, he was the sweetest most handsome guy I had ever laid eyes on. Thank you Barbara for loving him so deeply, as I know he did you. I know your heart is broken in a million pieces. God Bless you and those that loved him. He was " one of the good ones" and gone too soon.*

“ *Craig was loved by all of the cousins and our prayers are for him to be at peace and his soul in the loving care of God. This we pray. He was specially loved by his Aunt Jessie. He will be missed but there will be many precious memories as death cannot take away the loving memories. To his family in Quinton and Lyn we extend our sympathy. Love Betty*
