“ I'll always love you brother. You've been on our heart and toes for 52 years. I really don't know what I'll do now without you. Now, the worry is over. You're at peace and that's truly all that matters.

“ Sending condolences to my Meads cousins, I don't remember Steven, he was probably a young child when we visited Vernon & Gwen at their house before Mom passed. May God comfort you all.
