“ *Tamara was a beautiful and devoted wife and a loving, awesome mother. She doted over her twin sons, Brandon and Justin and had great dreams for their future. The boys were the joy of her life as she was the joy of her Mother and late father. She spent her early childhood years in King of Prussia, PA where she was very close to her extended family. I loved those years with her when we could be together and go to fun places. Her family moved back to Alabama and this Auntie missed this charming little gal who I had frequently journaled in a college child development class. I am so sorry for her family's loss of such a wonderful woman whose respiratory illness took her away from them much to soon.. We are all heartbroken. Love and sympathy.
