“ *Was blessed to have Teresa and Dennis in my home for a while during their quest for a place in life. She had a big heart and very generous with her love for family. I'm glad I got to see her at Ashley's graduation. My prayers for all the family.*

Although I didn't know her very well since living so far apart she was still my sister in Christ and I loved her. Prayers for all of the family!

“ So saddened to hear the news of Teresa's passing.. May God be with all of you in this difficult time... I have very fond memories of our childhood together.. She was the one that taught me how to do cartwheels and handsprings.. I loved being able to spend the night as a kid... R.I.P.
