“ *Tommy, sorry to hear of the loss of your dad. I have known and been friends with Tom since his family moved to Jewell Ridge, VA when he was seven years old. We went to school together and played football at Richlands High School. I will miss our phone conversations concerning old times. The last time we talked as the others we reflected on our lives in school and missing our friends. Tom was like a brother to me and our last words to each other was "Love you my friend". To Tom go and be with all your family and our departed friends. Too many to name.*
