“ *So sorry to hear of Tim's passing. He was a great friend throughout & after high school. We had some good times with his love for fast cars, being a back yard mechanic, football, and as roommates on Browntown Road for a short time. Tim would always help if he could, my deepest sympathy and condolences to his family, he will truly be missed!!!*

“ *I remember Tim hanging out at my Mom and Dad's game room in Twilleytown playing pool and him riding on the back of my motorcycle. Always a good guy! Everybody thought the world of Tim. Our thoughts and prayers are with the Warren family in this time of sorrow. Teresa Freeman Hudson and family*
