“ *I have so many wonderful memories because our families are so close its like we are all family. I remember a fall festival at the church of god and you and Glenda (Morgan) had booths up and you had beautiful wood carvings that you did with a chain saw and of course my grandmother gave me anything I wanted and what I wanted was a beautiful e.t that you had made. You wouldn't let my grandmother pay so she traded you one of her paintings. I'll always remember how talented and generous you were. Now that your gone you and my sweet grandmother can make beautiful works of art together in heaven. I love you ms.Judy more than I can say and I'm praying for you today and always.*
