“ I am saddened by the loss of Tom in our lives. My favorite memories of him include sitting around the kitchen table and hearing stories about his rich and fulfilled life. He often spoke of his favorite vacations to Canada and Mexico, his fishing adventures that always included Brian and Greg and the many stories about his lifelong friends. Tom always took an interest in other people and in his community as is evidenced by his service to the city of Sumiton. He loved his wife, Emogene, and shared with me on many occasions their first date and how much he cared about his "old gal". He shared his special life moments that were captured in the numerous photographs that we often viewed together.

Tom was not only a special member of my family, he was also my friend. I will always cherish his exuberant smile and zest for life. He will be missed.

My condolences to the Sandlin family.

Love always,  
Luis
