“ *The Holmes family lived next door to us when we were all young children. We had so much fun playing outside. Vickie and I would get so aggravated at the boys because they always made us be nurses. We were never allowed to be soldiers. We played until dark. I have many fond memories of this precious family. Loved them all. Sending prayers that God will surround them with His love and comfort. The love and comfort that only He give supply during this difficult time.*
