“ My husband, Darrell (Alabama) & Charles (Auburn) LOVED talking about football. That was their topic of conversation every time they were together. I will never forget the times when we shared a meal, whether it be in person or by "Fixing him a plate and sending home". He loved St Clair County girl "Country Cooking"! Then he got to have it pretty regular when Rachel married Jonathan 8 yrs ago lol. He will be surely missed by Darrell & I. We never got to spend a day of fishing together, but we had planned to go together "one weekend". One weekend never arrived & we hate that. I remember Charles being there when we moved "twice" 3 yrs ago. He never complained even once, loved that we fed everyone, and was a GREAT supervisor lol. He was always that person you would want on a moving crew and never would let you down by not being there when help was needed. Just hated it he ended up getting a speeding ticket on Speedway Blvd in Talladega on the way home. Guess he was tired and ready to go home as we all were. Yes, Charles will be missed by everyone who knew him, family or friends, but we will get to go fishing together or be talking football again one day together in Heaven. R.I.P. friend!! May God bring comfort to his family, and strength they will need in the coming days. It never gets easier, just the tears come less often after a family member goes to join Jesus. May God Bless you Rachel, Jonathan, Jeff and Patsy and other family members. Due to the present situation with the Covid virus risk , Darrell (working) & I (my health) we will be unable to attend, but will be there in spirit and praying for you all.
