July 16, 1954 - August 11, 2021

William David Hicks, 67, of Alliance went to be with the Lord on Wednesday, August 11, 2021. He passed away from complications of COVID with double pneumonia. He was a loving and devoted Husband, Father and "Granddandy". He loved spending time with his family, hunting, fishing, serving the Lord at church and others with his passion for helping people. He dedicated 30 years working as an elevator mechanic. He was the best at telling stories and jokes, making you smile and was always the life of the party. He taught so many the joy of finding happiness in the small things. His spontaneous singing will forever ring in our hearts as a fond memory. Funeral services will be Saturday August 14, 2021 at 1:00 pm in the New Horizon Memorial Chapel. Burial will follow in Williamsburg Cemetery. Visitation is from 11:30 am until service time.

He was preceded in death by his parents, Grady and Bea Hicks.

“ *I am so sorry that David has forever left this earth. I will miss him very much. He was everything in his obituary and so much more. He was the Deacon and song leader at Gorgas Baptist Church, standing beside his wife Nina who has been the pianist for over 37 years. He fished in the spring while the waters were cold, so that our church would have a fish fry in the beginning of fall. He did so much cooking and was an excellent cook. He loved to share the Lord with anyone that would listen. You could tell through his actions just how much he loved the Lord, his wife, his kids, all of his family and friends. He will truly be missed. He was a great man. Prayers for the family to get through this difficult time.*

“ *My dear brother I love you so much and I pray that in some way God will let you see how much your family loves you. I will miss you so much. My heart is broken in pieces. Our lives will never be the same, but we will see you in heaven, just look for us.  
Your big sis.*

“ Well brother, our little sibling circle has been broken now, and so have our hearts. Saying goodbye to you is one of the hardest things we've had to do. This seems so wrong but we know that you are with God and our other loved ones that are waiting. How do we face tomorrow and all the days that follow without you here? O how I am going to miss the "Hey sis" every time I would see you or talk to you on the phone. We don't know why God called you home so soon. We were counting on several more years together. It's really hard and we just don't understand, but this is one of those times we have to trust God because He knows what is best and He loves you more than we could ever love you. As we face tomorrow and the rest of the days of our lives
