“Daddy I can't believe you left us to. Why did you and momma have to leave us. I know y'all are happy being back together again. But y'all leaving us has left a big rip in all our hearts. I hope you both know how much I loved y'all. I still can't believe your gone. Momma was my first love and you was my second love. I love you both forever and miss you both always. Your home ain't home no more.
