“ *Prayers for the whole Gordie Family! I was young when Uncle Willie moved to AL, so I don't have to many memories with him, but I do have pictures. Some of the memories I do remember are riding ATC's with him, E.T, Reese Pieces (which have since been my favorite, along with Mt. Dew) and the Gremlines. I love you Uncle Willie and you will forever be in my heart!*

“ *Becky and your children. I'm very sorry for your loss. Willie was one of the best friends a person could ask for. Although we had drifted apart down through the years, I didn't have to think back very far to remember the good old days Willie and I spent together. Hunting, fishing, camping, running around all over that old mountain we lived on. He was a great friend. I count myself blessed to have known (Burt) that was the nickname I gave him when we ran around together. Again Becky and family, my regards for your loss and to know we'll be praying for you.*
