“ *I did not know Mrs Powell on a personal level but did through working with her son Steve for many years. I knew her by knowing Steve, her character and love as a Christian shown through him on how she raised him. A testimony of her life as a mother and parent through her son she raised and taught her beliefs. A very special lady. My prayers and sympathy go out to the family. I know you will find comfort in God and knowing she is in Heaven and with Mr. Powell*
